

Wales is in Alert Level 2 with effect 27.12.2021 and these guidelines reflect the rules that apply to Alert Level 2.

Llanfoist Villagers' Association have responsibility for running activities in Llanfoist Village Hall and have to abide by regulations established by the Welsh Government and advice from such bodies as the Health and Safety Executive. We have to draw up a Risk Assessment for Hall users to minimise the risk of the spread of the coronavirus and that people using the Hall feel confident that their health and wellbeing is being taken seriously.

All hall users must adhere to the regulations set down in the Coronavirus Act 2020 and the accompanying Welsh Government guidance. Please remember that your Health and Safety in the Hall is our concern but your responsibility.

All hirers of the Hall will read and accept the requirements within this Covid Guidance for Hall Users and sign to confirm that they do so. This guidance will be under continuous review and will be updated in line with changes to legislation or advice.

Group leaders/organisers will be responsible for taking all reasonable measures to minimise risk of exposure to coronavirus at the premises or the spread of coronavirus by those who have been at the premises.

Group leaders/organisers are also required to draw up their own risk assessment following advice from their professional bodies (where available) that conforms to the legislation and guidance from the Welsh Government, to ensure safeguarding of participants as well as of themselves. Group leaders/organisers will sign to declare that they have a Risk Assessment in place for running their particular activity in the Hall.

Contractors only to be brought into the building as an absolute necessity and when there are no user groups in the building, if possible. They will be expected to adhere to this Covid Guidance for Hall Users.

Hall users, group leaders, contractors, volunteers, committee members and all other people entering the building must adhere to the Hall's Covid-19 safe opening guidelines set out here:
